

## Seal Song (Gm) - Revelation 8

### Chorus 1

These things I see  
Is this reality  
Lord is this just a dream or is it real  
I pray these incense prayers  
I'm casting all my cares  
Ain't got no need to be scared  
I got the seal

Seven seals are broken  
Opened by the Lamb  
Seven angels sounding out  
Seven trumpet blasts  
First angel has hail-fire  
Mixed with blood and rain  
Now a third of the plants of the earth  
Begin to feel the pain

### Chorus 1

Second angel throws a mountain  
Into the heart of the sea  
I don't understand  
why the people of the world  
Just don't take a knee  
Then the third one throws Wormwood  
And poisons a third of the waters  
Hard-hearted like Pharoah  
They just won't look to the Father  
The trumpet is sounding, resounding  
From angel #4  
Lights out, watch out  
Look now here come 3 more

### Chorus 1

### Chorus 2

Let praises rise  
Up to the heavenly skies  
Yahweh hears our cries for freedom  
My heart and flesh faint for You  
O God we wait for You  
The Coming King and the Kingdom  
We've got the seal
